***INTERNSHIP OPPORTUNITY ***

April 8, 2019

Position Opening:

2019 Summer/Fall Internship, Pickaway County General Health District, Mosquito Control Program – Seasonal Part Time Position (30-35 hours per week)

The Pickaway County General Health District is seeking to hire a summer intern working in the Mosquito Control Program under the Ohio EPA's Mosquito Control Grant. This is a paid (\$14 per hour), seasonal part time position (30-35 hours per week). Must have a valid State of Ohio Driver's license and be able to provide your own transportation. Preferred candidates will have an interest in biology/zoology, be motivated, disciplined and reliable. This is an exceptional opportunity for a high school student, college student, or a recent graduate. Experience is not necessary as we will train the successful candidate.

Duties may include but are not limited to performing mosquito surveillance activities, coordinating scrap tire clean-up projects, communicating with the public, assisting health district staff in mosquito nuisance abatement activities, writing reports, collecting data, analyzing data, working with equipment such as mosquito traps, computers, data bases, emails, Microsoft word and excel, and working in inclement weather. Work will be conducted exclusively in the Mosquito Control Program.

Interested applicants must send a resume and cover letter by email to Mr. Jere Marks at jmarks@pchd.org or by mail to Pickaway County General Health District, PO Box 613, Circleville, OH 43113, attention Jere Marks, MS, RS, Environmental Health Director.

Open until filled. Target dates for internship are May through September.

Please call Jere Marks at 740-477-9667 ext 227 for details. The Pickaway County General Health District is an equal opportunity employer.
